Home Owners Association

What is a Homeowners Association?

It is a non-profit corporation registered with the State. Its purpose is to maintain all common areas and govern the community according to the provision of the legal documents: Covenants, Bylaws, and Articles of Incorporation. The corporation is financially supported by all members of the homeowner's Association. Membership is both automatic and mandatory.

What and Who is the Declarant?

The Declarant is the party who makes all decisions regarding the Association until the last lot is conveyed. Diligent GWC, LLC is the Declarant of the Association.

What does the Association do?

The Declarant is responsible for managing the Association, enforcement of deed restrictions, and maintaining the association elements. Diligent GWC, LLC has contracted with Doerrfeld Properties LLC to provide such services as Collection of assessments, covenant enforcement, obtaining bids for subcontracted services, providing financial statements, communications with owners, and serving in an advisory capacity. The management company reports directly to the Declarant.

What is a Managing Agent?

The managing agent is a company that is engaged by the Declarant. The managing agent attends to the day-to-day operation of the Association and implements policies and decisions as determined by the Declarant. Doerrfeld Properties serves as the Managing Agent for Great Western Crossing.

What is the Managing Agent's authority?

The managing agent has no authority except as conferred by the Declarant. The managing agent does not make decisions: it implements the decision of the Declarant.

What are the Governing Documents?

The Governing Documents are the Articles of Incorporation, Bylaws, Declarant of Covenants, Conditions, and Restrictions in addition to any Rules and Regulations. These documents can be found on the community's website at GreatWesternCrossing.gogladly.com.

What is the CC&Rs?

The Covenants, Conditions, and Restrictions (CC&Rs) are the governing legal documents that set up the guidelines for the operation of the planned community. The CC&R's were recorded by the County recorder's office of the County in which the property is located and are included in the title to your property. Failure to abide by the CC&Rs may result in a fine.

What are Bylaws?

The Bylaws are the guidelines for the operation of the non-profit corporation. The Bylaws define the duties of the various offices of the future Board of Directors, the terms, the memberships voting rights, required meetings, a notice of meetings, and other specific items necessary to run the Association as a business.

Where can I get a copy of the Governing Documents?

Please go to the community website at GreatWesternCrossing.gogladly.com.

Home Owners Association

What is a Deed Restriction?

It is part of the Declaration of Covenants, Conditions, and Restrictions. Through this document, you agreed to certain maintenance standards, upkeep, etc., to make the community as attractive as possible for yourself and your neighbors and maintain or enhance your property values.

Why do I need to comply with the Deed Restrictions?

When you purchase a home with a deed-restricted community, you automatically agree to comply with the restrictions in place or properly established. This ensures the integrity of the community is maintained.

Why do I have to get permission for home improvements?

This better ensures that your intended improvement meets your community's standards as outlined in the Governing Documents and avoids the problems that arise from the construction of improvements and the use of colors or styles that conflict with others in your neighborhood.

What is a "common area"?

It is the land for the use and enjoyment of the members of the Association.

What is a Master Association?

Master-planned communities are often comprised of several distinct homeowner's associations. The Master Association is the "umbrella" organization that provides common services to all individual Associations.

Why do I have to pay Association Fees?

All owners are required to pay Association Fees per the Governing Documents of the Association. The fees are due annually. They fund the operation and maintenance of the common property and provide services for the benefit of all owners.

What do the Association Fees cover?

Association fees pay for common area landscape maintenance and all common area elements of the community.

How do I pay the Association Fees?

Owners may elect to pay their Association Fees via check, credit card or have the amount withdrawn from their bank accounts.

How do I contact the Association Manager?

Although our fiber service usually means 100% fiber-optic network to your residence, in limited circumstances Quantum Fiber may need to deploy alternative technologies coupled with a non-fiber connection from a certain point (usually the curb) to your residence in order to provide the advertised download speeds.

Customer speed experiences will vary, particularly when accessing the Internet wirelessly from various devices. Download speeds are via a wired connection. Internet speeds are not guaranteed due to conditions outside of network control, including customer location, devices, equipment, and access through a wired or wireless connection; see www.centurylink.com/InternetPolicy for more information.

Quantum Fiber technology (including Fiber), services, features, and offers are not available everywhere and may vary by multi-dwelling unit property. Month-to-month (referred to as "no contract") service means no term commitment and may be cancelled at any time without an early termination fee but customer must accept High-Speed Internet Subscriber Agreement prior to using service (see centurylink.com/eula).
