POSSESSION. Possession of the Properties will be given at closing, subject to tenant's rights, if any.

SURVEY. Seller does not intend to complete a survey of the Property except where, in Seller's sole discretion, a survey is deemed necessary to convey a tract as offered. Certain tracts are being offered as split parcels and may require a survey if purchased separately. If all portions of a split parcel are purchased by the same Buyer, a survey may not be required. Any survey deemed necessary by Seller for conveyance shall be completed at Seller's expense. Any additional survey requested by a Bidder or Buyer shall be at the Bidder's or Buyer's sole cost and expense.

FARM PROGRAM INFORMATION. Farm Program Information is believed to be accurate but is provided for informational purposes only. The figures stated in the Offering Memorandum and other marketing materials represent the best estimates of the Seller and Broker. Farm Program Information, including but not limited to base acres, crop acres, conservation program enrollment, conservation plans, and other program data, is subject to change upon reconstitution of the Properties by the applicable Farm Service Agency ("FSA") and Natural Resources Conservation Service ("NRCS") offices. Buyers are encouraged to verify all Farm Program Information independently prior to submitting a bid.

FENCES. Existing fences, if any, are being conveyed in their present, "AS IS" condition and will not be repaired, replaced, or improved by the Seller. Not all Property and tract boundaries are fenced, and any fencing desired by the Buyer after closing shall be the sole responsibility and expense of the Buyer. Existing fence lines may not coincide with the legal property boundaries, and neither Seller nor Broker makes any representation or warranty regarding the location or condition of any existing fences.

Buyer acknowledges that the Subject Property may be enrolled in or eligible for current agricultural use valuation, agricultural district status, or similar agricultural tax, assessment, or deferral programs. From and after Closing, Buyer shall be solely responsible for maintaining any such qualification, filing any required applications or renewals, and paying any CAUV recoupment, agricultural district recoupment, deferred assessment, penalty, charge, tax, lien, or similar amount arising from Buyer's ownership, use, conversion, withdrawal, failure to renew, or failure to maintain qualifying agricultural use of the Subject Property, even if such amount is calculated by reference to periods before Closing. Seller shall have no liability for any such amount. Buyer's obligations under this Section shall survive Closing.

GOVERNING LAW. The PSA to be executed by Seller and Buyer shall be governed by and constructed by the laws of the state in which the applicable Property is situated, unless otherwise agreed to by the parties.

DISCLAIMER. By submitting a sealed bid, each Bidder acknowledges, represents, and warrants to Seller and Broker that the Bidder has assessed, or has had the opportunity to evaluate, the size, configuration, utility service, environmentally sensitive areas, means of access, permitted uses, status of title (including, but not limited to, all easements, rights of way, covenants, conditions and restrictions, reservation of rights, and other encumbrances and restrictions affecting the Real Property or any portion thereof), value, condition (including, but not limited to, the physical and environmental condition of the Real Property), water rights, irrigation and water systems, and all other material aspects of the Real Property and Personal Property, and the Bidder is not relying on, nor influenced by, any statement or representation or warranty of the Real Property and Personal Property. ACKNOWLEDGEMENT. By signing and submitting a bid, including via the Sealed Bid Submittal Form, the Bidder acknowledges and accepts the Terms and Conditions referenced herein. If the Bidder's offer is accepted, the Bidder agrees to enter into a PSA with the Seller upon notification of a successful bid.
